**RG Solutions Inc.**  
200 Chemin du Parc Industriel  
St-Romain, QC  
G0Y 1L0

Attention: Mr. Stéphane Dufresne

Ref.: Letter of recommendation

Mr. Dufresne,

ATCO has called upon the services of RG Solutions Inc. for several of their modular building production needs in Eastern Canada over the past years. Besides Lease Fleet Orders, your company has successfully assisted us with the B.I.M project in Baffinland and very recently with the Toronto 2015 Pan Am & Para Pan Am Games.

For projects other than ATCO standard lease fleet orders, your team has been very helpful in assisting us starting with the design and development stage for new products that we wished to introduce to the market.

Your manufacturing's team commitment to quality is a result of the quality and customer satisfaction mindset that your management team routinely encourages. At any point during a project, when necessary, your team has halted production to immediately remedy the problem at hand and take measures to avoid repetition of potential repeat of a typical situation. This is the attitude that ATCO strives to offer to our own customers.

RG's respect of their contractual obligations (pricing, schedules, quality, HSE, etc.) is very honorable and it has always been a pleasure to do business with RG Solutions Inc. We look forward to more projects with your team as we work to build out our business even more in Eastern Canada.

Regards,

Guy Boisvert  
Regional Manager - Quebec  
ATCO Structures & Logistics Ltd.
